

Memory cards reader USB C 3.1 Gray PNY

Descriptif produit

The solution for transferring and sharing content or connecting peripherals to your USB-C devices

The Type-C memory card reader and USB adapter allows computer and smartphone/tablet owners to transfer and connect USB devices quickly and easily.

Transfer your photos or videos stored on memory cards thanks to the SD and MicroSD ports and connect your peripherals (USB key, mouse, printer,...) on the USB-A female port.
