# SAMSUNG

# Pack Universel USB C 1 25W USB C rapid Home Charger + 1 USB C intra Earphone Samsung

## **Descriptif produit**

## The essentials of audio and charging for your mobile in one pack!

Starter pack including:

A 25W USB C mains charger:

Ultra-fast charging so you never run out of power Give your product the charging power it deserves with the new 25W Ultra Fast Charger. Use a Samsung USB Type-C cable to maximise charging speed.

#### Adaptive charging

Enjoy adaptive charging to match your device's capabilities. While the Ultra Fast Charger delivers the maximum power of 25W to compatible devices, it can also adapt to the capacities of other models.

### Safety and quality

With this charger, you can be sure of compliance and correct operation. Samsung quality means you can connect your phone safely.

## A USB C in-ear kit:

A studio audio experience wherever you are

Designed to separate left and right signals, Samsung AKG headphones give you clear, studio-quality sound. The DAC optimises what you're listening to and puts you right at the heart of your music.

Professional sound designed especially for your ears

Thanks to a combination of AKG sound technology and 2 built-in speakers, you can enjoy rich, balanced, professional sound.

Designed for easy, comfortable listening

Made from lightweight materials, each headset is designed to sit comfortably in your ears so you can listen to your music with complete peace of mind. Simply choose from the included ear tip options for the best fit. What's more, the fabric cable prevents the earphones from getting tangled up in your bag or pocket.
