

Bluetooth® Headphones Tune 770BTNC ANC with Microphone Over-ear Black JBL

Descriptif produit

Your music, without noise.

Adaptive Noise Reduction and Smart Ambient

Adaptive Noise Reduction isolates you from distractions, whether you want to focus on your work or immerse yourself in your music. And if you want to hear the world around you without removing your earphones, Ambient Aware and TalkThru will highlight surrounding sounds and voices. Easily activate these ambient sound control modes via the JBL Headphones app.

Bluetooth 5.3 with LE audio (*)

Wirelessly stream high-quality JBL Pure Bass Sound from your smartphone using the latest Bluetooth technology. Optimise Bluetooth performance with the Smart Audio & Video feature of the JBL Headphones app by selecting either Audio (for optimum sound quality) or Video (for optimum video and gaming output) modes.

JBL Pure Bass Sound

The JBL Tune 770NC headphones feature JBL's famous Pure Bass Sound, the same sound that drives the world's most famous venues.

Customise your listening experience

Download the free JBL Headphones app to tailor the sound to your taste by choosing one of the preset EQ modes or adjusting the EQ curve to suit your content, style and taste. Voice prompts in your language guide you through the various features of the Tune 770NC headset.

Hands-free calling with VoiceAware

Easily control the sound and manage your calls from your headset with convenient buttons on the earcups. Hear your voice when you talk with VoiceAware.

Up to 70 hours* of battery life + Quick Charge

For extended listening time, listen wirelessly for up to 44 hours and recharge the battery in just 2 hours with the USB-C cable. A 5-minute quick charge gives you an additional 3 hours of music.

*Battery life: BT on / ANC off

Multi-source connection

Switch effortlessly between Bluetooth® devices. Switch from a video on your tablet to a call on your mobile phone and never miss a moment.

Lightweight, comfortable, foldable design

Lightweight materials and soft cushions with a padded headband provide excellent wearing comfort for extended periods of time. The foldable design makes it easy to carry and listen to music anywhere, anytime
