

# iPhone 15 MagSafe Compatible AIR FROST reinforced Case Frost Blue - Lifetime Warranty Force Case

## Descriptif produit

### MagSafe-compatible High resistance protection with an elegant, non-slip matte coating - Lifetime warranty

Withstands shocks and drops from 3 meters. Combining finesse and robustness, it was made from choice materials. It is the combination of 2 exclusive technologies that gives it its extreme resistance to daily damage.

**Air Cushion Technology**  
The corners of the case reinforced with air cavities are able to cushion the impact without damaging the mobile.

**Tryax 3D Inserts System**  
This system present on the outline of the case is designed to absorb impacts and disperse the energy of the impact along three axes. Your mobile is thus protected on all sides.

**Protective Raised Edges**  
The edges and contours of the camera are reinforced with liquid silicone for all-around protection. You can thus place your smartphone on the front or back side without risk.

**Reinforced magnetic system compatible MagSafe**  
Thanks to the power of its reinforced magnetic system, you can attach your case to all the magnetic accessories of the MagSafe ecosystem: wireless charger, car holder, video stand, etc...

**Improved charging efficiency**  
Optimal magnetic alignment of its reinforced magnets also ensures that charging your iPhone is more efficient and therefore faster.

**Matte "Frost" anti-fingerprint and non-slip coating**  
Its matte finish avoids fingerprints and guarantees excellent grip

**Eco-designed with 50% recycled plastic**  
This product is eco-designed and manufactured with 50% recycled material to reduce environmental impact.

**Universal hook for shoulder strap included**  
Accessorize your smartphone slung over your shoulder to carry it easily and enhance your style. Simply slide the universal fastening system between your case and your mobile, and hang your shoulder strap on it.
