Protection pack including : Extremely resistant screen protector + Camera lens protectors

An organic glass screen protector: Provides essential high-resistance protection for your screen thanks to its high clarity index and optimum colour rendition.

Custom designed 2.5D curved protection
Perfectly matches the curves of the screen to protect your mobile device. Tailored cut-outs for the front camera or speaker.

Ultra-resistant technology
5 times more resistant than conventional glass, the hardness index of organic glass makes it the most resistant on the market. Exclusive design combining the best materials, treatments and coatings to guarantee the highest level of resistance to scratches, pressure and impact.

Optimum ease of use
Pleasant to the touch and perfectly transparent, so you can fully enjoy the fluidity of the original touch and the quality of the colours. Optimised thinness from 0.25 to 0.33 mm and high clarity index for maximum discretion.

Finishes designed for use
Anti-fingerprint oleophobic treatment and anti-explosion design to prevent dangerous fragments and make it easy to remove.

Easy, no-mess installation
Exclusive installation kit dedicated to each mobile for simple, quick, bubble-free installation.

Eco-designed with 100% recycled organic glass
This product is eco-designed and made from 100% recycled material to reduce environmental impact.

+
Lens protectors : Tailor-made protection for your lenses
