

Audio Cable 3.5mm Jack / USB C 90cm Black Bigben

Descriptif produit

A simple cable that connects your USB C device to your car's 3.5mm speakers or your home's speaker system so you can enjoy your favourite music wherever you are.

Convenient audio cable
A convenient audio cable for connecting your smartphone to your speaker, car radio or hi-fi system.

Plug & Play
No need for an adapter, it plugs directly into your device: plug the iPhone connector into your mobile phone and the 3.5 mm connector into your car radio or home speakers and enjoy your music.

High-resolution audio quality
With this cable, you get reliable audio content. It also supports the microphone function of your headphones.

USB-C Compatibility
Compatible with most smartphones and tablets with an audio-compatible USB-C port.

90cm length
Its compact size makes it easy to carry and adapt to any environment, without taking up too much space.

Eco-friendly packaging designed to be fully recyclable
Cardboard (certified from responsible forest management), glue (vegetable) and ink (soy).

Revaluation of products
Prepaid return of old products to be recycled to promote the circular economy.

Bigben Connected is a French brand whose products are designed and developed in Paris.
French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Thanks to the QR code or link provided in the pack of the purchased product
www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?
Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
