

## G S24 ULTRA Vegan Leather Case Taupe Samsung

## Descriptif produit

## Stylish and convenient leather protection for your smartphone

A top-of-the-range design for great style  
Give your smartphone stylish protection with the Premium Case. Enhance the modern design of your device while adding a touch of softness and sumptuousness.

Eco-responsibility at the heart of our processes  
By protecting your smartphone, you're also protecting the environment. This case is made from UL-certified recycled materials.  
The premium shell contains a minimum of 30% post-consumer recycled content, including 50% post-consumer recycled PC content. The premium shell contains a minimum of 3% biobased material.

Style that lasts  
The premium shell is designed to protect your smartphone and make it look stylish at the same time. With the inner lining, your Galaxy is even protected against scratches, all without compromising its style.
