

**T7 Shield Hard Disk 1To Black Samsung****Descriptif produit****Designed to last, imagined to inspire.****Tough as nails**

Extremely tough, fast and compact. The new T7 Shield gives you superior performance in the field, even in tough environmental conditions. Blazing speeds on the inside with durable protection on the outside for uninterrupted work, ready to hand over to a customer or for home assembly.

**Create at full speed**

Transfer huge files instantly. USB 3.2 Gen 2 and PCIe® NVMe™ enable phenomenal sequential read/write speeds of 1,050/1,000MB for lag-free editing from the drive. The high-tech rubber coating with Dynamic Thermal Guard controls heat to maintain stable performance even during large projects.

**Extremely robust**

Ready for adventure. Shoot on location and roam the wilderness, while being confident about the security of your data, especially against water and dust with IP65 certification. The rugged design and advanced exterior elastomer add extra durability, even withstanding a 3-metre drop.

**For your everyday devices**

Connect to your everyday devices effortlessly: Macs, PCs, Android devices, games consoles and more. Add the comfort of ultra mobility to every aspect of your life.

**Dare with style**

Take your pick. 1TB or 2TB give you colossal space in elegant colours of blue, beige or black. The rubber coating prevents the T7 Shield from slipping out of your fingers. Take it all with you and do it in style.

**Management software**

Set your password and access the latest updates with Samsung Portable SSD software available on PCs, Macs, Android smartphones and tablets. You can also check the health of your drive, boost performance and protect your data with Samsung Magician software.
