Descriptif produit

The essentials of protection and charge for your mobile in one pack

Pack including

1 Force Case Feel :

Resists shocks and drops from 2 metres.
Its exclusive design and use of shock-resistant materials make it extremely resistant to everyday damage.

Tryax 3D Inserts system

This system on the corners of the shell is designed to absorb impacts and disperse shock energy along three axes. So your phone is perfectly protected in the event of a fall.

Protective raised contours

The edges and contours of the camera are reinforced for complete protection. So you can place your smartphone on the front or back without risk.

Elegant transparent finish and bespoke design

The sleek transparent design lets you appreciate the original beauty of your smartphone while ensuring the best possible grip.

Special anti-yellowing treatment

Made from a polymer alloy treated to prevent yellowing, your shell will retain its transparency for much longer.

1 Force Power Lite 30W PD mains charger:

The Force Power in-house charger compatible with Power Delivery guarantees ultra-fast charging to accompany you efficiently on a daily basis.

Power Delivery: unrivalled charging speed

The efficiency of its Power Delivery compatible technology guarantees a much faster charging speed than the traditional protocol, which takes hours. Its USB C port delivers a maximum charge of 30W to charge your device up to 70% faster than standard 5W technology*.

One powerful charger for all your devices

No more multiple chargers at home and in the office: opt for a single, efficient charger for all your smartphones and tablets!

Extremely fast charging time

This charger offers a high-performance solution for powering all your iOS (Apple) and Android (Google, Samsung, Xiaomi, Oppo...) devices. Recharge up to 50% of the battery of your iPhone 8 or later model or your Samsung S20 or later model in just 30 minutes*!

Intelligent and secure

The charger automatically detects the fast charge current you need: handy if you're in a hurry to boost your battery in no time! This innovative technology avoids the risk of overheating and extends the life of the battery. When the battery is full, the power supply cuts out to prevent the battery from running continuously.

Power Delivery compatibility

To benefit from the optimal charging speed of a Power Delivery charger, you need a device or Android compatible with this technology, a USB Type C to USB Type C or Lightning to USB Type C charging cable and a USB-PD compatible charger.

Elegant finish

Its metallic finish adds a touch of elegance to the design.

Smart Companion for ease of use

A smart cable clip is included with your product to easily roll up and carry your charging cable.

Guaranteed for life

Force Power will replace your charging accessory as good as new should it become damaged!*

Eco-designed with 100% recycled plastic

This product is made from recycled plastic to reduce the use of single-use plastics and promote the circular economy.

*Charging time depends on the charging capacity of the devices, but also on temperature, battery wear, the power delivered by the charger and the charge level of the device.
