

## Honor Magic V2 Case Transparent Bigben

### Descriptif produit

#### Protects while showing the design of your mobile

This transparent case perfectly conforms to the curves of your device without compromising its line or color.

It thus leaves free access to all mobile functions as well as to connectors.

Made from rigid PC material, it provides a feeling of solidity and an ideal grip while protecting your mobile against dirt, scratches and shocks day-to-day.

Its design adapts to 2.5D and 3D protective films.

Its anti-yellowing treatment makes it a product that will accompany you for the long term.
