

iPhone 13 / iPhone iPhone 14 AIR reinforced Case Transparent with glitter - Lifetime Warranty Force Case

Descriptif produit

High-resistance protection that enhances your mobile while guaranteeing its safety - Lifetime warranty

Withstands shocks and drops from 3 meters.

Combining finesse and robustness, it was made from choice materials. It is the combination of 2 exclusive technologies that gives it its extreme resistance to daily damage.

Air Cushion Technology

The corners of the case reinforced with air cavities are able to cushion the impact without damaging the mobile.

Tryax 3D Inserts System

This system present on the outline of the case is designed to absorb impacts and disperse the energy of the impact along three axes. Your mobile is thus protected on all sides.

Protective Raised Edges

The edges and contours of the camera are reinforced with liquid silicone for all-around protection. You can thus place your smartphone on the front or back side without risk.

Elegant transparent finish and tailor-made design

Its neat transparent design lets you appreciate the original beauty of your smartphone while guaranteeing you the best grip.

Special anti-yellowing treatment

Made from a polymer alloy treated against yellowing, your case will retain its transparency for much longer.

Eco-designed with 50% recycled plastic

This product is eco-designed and manufactured with 50% recycled material to reduce environmental impact.

Universal hook for shoulder strap included

Accessorize your smartphone slung over your shoulder to carry it easily and enhance your style. Simply slide the universal fastening system between your case and your mobile, and hang your shoulder strap on it.
