

# iPhone 16 Pro Reinforced Folio Case MagSafe Compatible Black - Force Case

## Descriptif produit

### The elegant and integral 360° heavy-duty protection MagSafe compatible Lifetime warranty

Withstands shocks and drops from 2 meters

Its exclusive 360° design and the use of shockproof materials which gives it its extreme resistance to daily damage.

Protective Raised Edges

The edges and contours of the camera are reinforced with liquid silicone for all-around protection. You can thus place your smartphone on the front or back side without risk.

Magnetic closing of the flap

Convenient every day to avoid accidental openings. In addition, the front speaker is unobstructed to continue your phone calls with the flap closed.

Double card holder integrated in the flap

The storage space cleverly integrated into the lining of the flap is ideal for keeping your cards or tickets close at hand.

Reinforced magnetic system compatible MagSafe

Thanks to the power of its reinforced magnetic system, you can attach your case to all the magnetic accessories of the MagSafe ecosystem: wireless charger, car holder, video stand, etc...

Improved charging efficiency

The optimal magnetic alignment of its reinforced magnets also ensures that charging your iPhone is more efficient and therefore faster.

Eco-designed with recycled plastics

This product is eco-designed and made with 100% recycled TPU and 50% recycled PC to reduce environmental impact.

Universal phone strap hook included in all Force Case packs
