

iPhone 16 / 15 / 14 Pro Screen protector Matt Anti-Glare 2.5D Organic glass + Lifetime Warranty - GRS Certified Force Glass

Descriptif produit

The Lifetime Warranted screen protector that combines high impact resistance, anti-glare and eco-design

Matte Range

Tailor-made protection

Trimmed cut-outs to fit the screen perfectly and effectively protect your mobile device.

5x more scratch and shock resistant technology

5 times more resistant than conventional glass, the hardness index of organic glass makes it the most resistant screen protector on the market. Exclusive design that combines the best materials, treatments and coatings to guarantee the highest level of resistance to scratches, pressure and impacts.

Matte Anti-Glare Finish:

The matte surface has fine particles that effectively reduce reflective light, it lowers the reflection of ambient light on the screen, reducing eye strain and making it suitable for prolonged use.

Optimal user comfort

The matte surface offers a smoother touch, allowing for easier finger movement without noticeable resistance, enhancing user experience.

Finishes designed for use

Anti-fingerprint oleophobic treatment and explosion-proof design that prevents dangerous fragments and allows it to be removed easily.

Easy installation and without missing

Exclusive installation kit dedicated to each mobile for simple, fast and bubble-free installation.

Eco-designed with 100% recycled glass - GRS certified product

This product is eco-designed and manufactured with 100% recycled material to reduce environmental impact.

The Global Recycled Standard (GRS) label guarantees recycled products with compliance with environmental and social criteria (recycled content, chain of custody, social and environmental practices and chemical composition restrictions, etc.).

From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?

You have just purchased one of our products and you wish to return your old product to us for recycling.

We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?

Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?

Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!

The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
