

## Bluetooth® Sound Bar SB510 200W Black JBL

### Descriptif produit

#### Compact. Epic sound.

Dedicated centre channel speaker delivers superior voice clarity  
A dedicated centre channel ensures that dialogue on TV and in films is exceptionally clear. You'll never have to go back.

Integrated subwoofer  
The built-in subwoofer delivers deep bass without cluttering up your space with another box or extra cables.

HDMI ARC single cable connection  
HDMI ARC single cable connection allows for simple setup and a more intuitive user experience.

Wireless music streaming with Bluetooth  
Stream music wirelessly from your mobile device.

Built-in Dolby Audio  
Delivers powerful sound that enhances any cinematic experience.
