

Bluetooth® Speaker Vibe 10W Luminous Black Bigben

Descriptif produit

Enjoy the music with a colorful ambience

Powerful & efficient

With rich, clear and powerful 10W stereo sound, enjoy your music to the full!

5h battery life

Thanks to its rechargeable 1200mAh battery, listen to up to 5 hours of uninterrupted music at 100% volume.

Multiple listening options

Enjoy wireless streaming of your favorite tunes via Bluetooth 5.3 for a fast, secure and stable connection from your smartphone or tablet.

You can also plug in a USB stick, insert a Micro SD card or use the AUX jack to listen to your music.

Have fun!

Create a party atmosphere and have fun with its 8 integrated LED lighting effect modes to make the most of your evenings and events.

Practical, robust design

Cleverly designed with an integrated hand strap, you can easily take your speaker with you wherever you go and enjoy unforgettable musical moments.

Resistant: IPX5

IPX5 certification guarantees that the speaker is splash-proof. Perfect for the outdoors, the pool or the beach: take it with you wherever you go and enjoy your speaker without fear!

Easy charging

The speaker can be charged via a USB-C cable with its 1200 mAh Li-on rechargeable battery, ensuring that your speaker is always ready for use.

Informations complémentaires

Bigben Connected: The brand for your smartphone essentials

- The consensual style that will accompany you day-to-day
- A wide choice of accessories to charge, protect, personalize, facilitate the use of your mobile
- An excellent value for money with quality products while remaining affordable
- Eco-designed packaging with zero plastic and fully recyclable. Cardboard (certified from responsible forest management), glue (vegetable) and ink (soya)
- A recycling center with the prepaid return of old products to be recycled to promote the circular economy

Bigben Connected is a French brand whose products are designed and developed in Paris.

French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?

You have just purchased one of our products and you wish to return your old product to us for recycling.

We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?

Thanks to the QR code or link provided in the pack of the purchased product

www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?

Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?

Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
