Bluetooth® Speaker Tube 30W Luminous Army Party

Descriptif produit

Enjoy the music in a colorful atmosphere

Powerful & efficient

This wireless loudspeaker with 30W of total musical power delivers rich, powerful sound, ideal for enjoying your music to the full.

Bring a touch of color to your evening with its 180° lighting effects.

Thanks to its loop, you can take it with you wherever you go and hang it wherever you like.

Multiple listening options

Enjoy wireless streaming of your favorite tunes via Bluetooth from your smartphone or tablet.

You can also plug in a USB stick, insert a Micro SD card or connect your external devices via the AUX-IN input to listen to your music.

Rechargeable battery

The 3000 mAh rechargeable battery offers up to 4 hours of autonomy, ideal for an entire evening of music. Total charging time is 4 hours, and the USB-C cable for recharging is included.
