

Sleeve Sand Pink DBramante1928

Descriptif produit

Versatile, elegant protection

London is a multifunctional iPad case made from 45% GRS recycled materials and 100% recyclable.

Protect your iPad and the planet at the same time with this sleek, slim folio case, featuring multiple viewing angles and drop and scratch protection with a magnetic closure. Designed without compromising on quality, protection, design or functionality, this multi-stand folio case feels great in your hand.

Landscape function - Wide base
Perfect for soft surfaces or tabletops, offering extra stability and balance. Ideal for watching videos or presentations hands-free.

Portrait function
Designed for Facetime or video calls, offering a comfortable viewing angle.

Support function - typing
Optimised for an ergonomic typing position.

Ultra-thin design
Sleek and lightweight, easy to carry without adding bulk.

Transparent rear panel
Allows you to see the iPad's original design while protecting it.

Tailor-made cradle with space for a pencil
Perfect fit for the iPad, with a dedicated space for attaching a pencil or stylus.
