

# iPhone 13 Pro MagSafe Case Tough Patterns Almond Latte Burga

## Descriptif produit

### Elegant protection

#### An elegant design

Turn your phone case into a fashion accessory. BURGA phone covers are ultra-thin and designed to offer optimum protection while enhancing your style.

#### 2 overlapping shells

Tough External Shell: Made from durable materials for robust impact protection.

TPU Inner Shell: Flexible TPU absorbs impact effectively, adding an extra layer of protection.

#### Shock absorption

Designed to dissipate impact energy and protect your device from everyday damage.

#### Total accessibility

All your smartphone's ports, buttons and functions remain easily accessible without having to remove the shell.

#### Raised edges

Raised edges protect the screen and camera from scratches and direct impact.

#### MagSafe magnetic module

Integration of the MagSafe magnetic module for fast, secure attachment to compatible MagSafe chargers and accessories.

#### High definition prints

Patterns and designs printed in high definition that resist wear and tear and won't fade.

#### 12-month guarantee

Buy with confidence with our 12-month guarantee, ensuring the quality and durability of your shell.
