### Descriptif produit

#### Elegant protection

##### An elegant design

Turn your phone case into a fashion accessory. BURGA phone covers are ultra-thin and designed to offer optimum protection while enhancing your style.

##### 2 overlapping shells

Tough External Shell: Made from durable materials for robust impact protection.  
TPU Inner Shell: Flexible TPU absorbs impact effectively, adding an extra layer of protection.

##### Shock absorption

Designed to dissipate impact energy and protect your device from everyday damage.

##### Total accessibility

All your smartphone's ports, buttons and functions remain easily accessible without having to remove the shell.

##### Raised edges

Raised edges protect the screen and camera from scratches and direct impact.

##### MagSafe magnetic module

Integration of the MagSafe magnetic module for fast, secure attachment to compatible MagSafe chargers and accessories.

##### High definition prints

Patterns and designs printed in high definition that resist wear and tear and won't fade.

##### 12-month guarantee

Buy with confidence with our 12-month guarantee, ensuring the quality and durability of your shell.
