A warm and powerful soundbar

A Powerful Design Sound Bar

A sound bar combining aesthetics and sound power for perfect immersion.

A touch of light wood gives this sound bar a warm, cocooning effect. Its multiple inputs make it undeniably versatile. A must-have!

Powerful, immersive sound

The Thomson COSY SB402BT soundbar delivers a total of 200 Watts of musical power, ensuring rich, immersive sound for your films, TV series or music.

Bluetooth 5.0 connection

Thanks to Bluetooth 5.0 technology, easily connect your wireless devices (smartphones, tablets, etc.) to listen to your favorite music with optimal, uninterrupted sound quality.

Versatile connection options

The soundbar is equipped with multiple inputs to meet your connection needs: TV AUDIO input, optical input (cable included), AUX-IN 3.5mm (cable included), USB port.

Equalizer for a Personalized Experience

Personalize your audio experience with the built-in equalizer, which offers three preset modes: movie, music and voice. Each mode adjusts the audio output according to the type of content you're watching or listening to, for optimum sound quality.

Wall mounting possible

With its practical, elegant design, the Thomson COSY SB402BT soundbar can be easily wall-mounted, saving space and adding a modern touch to your living room.

Remote control included

The soundbar comes with a remote control (requires 2 AAA batteries, not included) to easily control volume, change audio sources, or adjust the equalizer from your sofa.

Power supply

The unit is powered by a DC 24 V - 1.5 A mains adapter (included), ensuring reliable power for long hours of uninterrupted use.
