Dive into vintage ambience with the EPOK retro wireless speaker

Rediscover the Magic of Retro

Immerse yourself in vintage ambience with the EPOK "Tourne-Disque" retro wireless speaker. This unique model combines the classic aesthetics of record players with modern technologies to give you an authentic, on-trend musical experience. Ideal for those who like to combine the charm of the past with contemporary features.

Multifunctional and versatile

This speaker doesn't just stream your music via Bluetooth 5.3: it also offers numerous listening options, such as AUX-IN connection, playback via micro-SD card, and FM radio with autoscanner function. What's more, it features an alarm clock with dual alarms for a smooth start to the day.

Vintage and original design

For an extra touch of authenticity, the vinyl spins in sync with the music, creating a unique, nostalgic ambience while you enjoy your modern playlists.

Comprehensive display and settings

The speaker displays not only the time, but also the inside temperature. You can adjust the volume to suit your preferences and enjoy a total musical output of 15W, ideal for filling a room with sound.

Battery and easy recharging

Equipped with a 1200 mAh battery, this speaker lets you enjoy several hours of uninterrupted listening. It recharges easily via its USB-C port, ensuring extended, worry-free use.
