

Bluetooth® Speaker 15W Luminous Whale Bigben Audio

Descriptif produit

Give your children a bright, musical companion with the BTLSWHALE Lumin'US whale, perfect for brightening their days and softening their nights.

A Playful and Luminous Whale

With its adorable silicone water jet, the luminous whale is the perfect accessory to brighten up your children's room. Its multifunctional functions make it an ideal ally for moments of relaxation, games, or to accompany stories at bath time.

Soft Night Light for Falling Asleep

When it's time to sleep, transform the whale into a soothing night light by reducing the intensity of its light. With its 5 levels of light intensity, it creates a soft and reassuring atmosphere, perfect for helping your children fall asleep peacefully.

Nursery Rhyme Player

Thanks to its USB input, you can record nursery rhymes or stories and broadcast them using the whale. No need to tell the same story every night, it takes care of it for you!

Sound Features

In addition to its night light functions, the BTLSWHALE Lumin'US is equipped with a Bluetooth® speaker offering a musical power of 15 Watts. It allows you to play your favorite music via Bluetooth or from its AUX-IN jack to connect an MP3 player.

9 Color Variations

The whale offers 9 color variations to create unique lighting atmospheres. Whether for a calm atmosphere or for a lively evening, you can adjust the colors according to the mood.

Flash Mode and Disco Effect

For party moments, activate the Flash mode! Disco effect guaranteed with flashing lights and dynamic colors that will illuminate the room.

Remote Control and Easy Charging

For practical use, the whale comes with a remote control, allowing you to control the light and music remotely. It is also rechargeable via a micro-USB cable, offering great ease of use.

A Versatile Companion

This multifunctional night light speaker accompanies children in their moments of play, calming and sleep, while playing their favorite music or stories. An ideal companion to make every moment special.
