

FW66 Smart Watch Black Maxcom

Descriptif produit

For characterful men

Iron R combines elegance and distinctive style with the new-tech. This smartwatch is designed for demanding users. Its timeless design and two different premium straps included make it perfect for both business meetings and intense workouts.

1.43-inch AMOLED screen

Equipped with a 1.43-inch AMOLED screen, Iron R offers vivid colors and exceptional image depth. The polished 2.5D glass set in a metal frame gives the smartwatch an elegant look.

Comfortable design

Iron R features a robust zinc alloy construction that fits perfectly on a man's wrist. The brushed steel highlights the watch's unique character. The set includes a steel bracelet and a premium quality magnetic silicone strap. A tool is included to make shortening the bracelet easier.

Traditional look, modern inside

For those who appreciate classic style, Iron R offers a traditional watch face with the option to choose between analog and digital screens. The Always-on Display mode allows you to check the time at any moment, just like a traditional watch.

Dynamic menu, wide range of watch faces

Change the menu layout and watch faces with a convenient rotating button. Several available menu styles allow for quick and easy customization of the interface to suit your preferences. A database of over 100 free watch faces and the ability to set an image from your phone gallery lets you express your style and personality.

Your assistant

Iron R supports you in your daily tasks, allowing you to set reminders, alarms, and quickly respond to messages and calls, even during the busiest moments of the day.

Calls and messages

Receive calls and read messages and social media notifications without reaching for your phone. Iron R enables contact in any situation, keeping you always up to date.

Advanced health features

Monitor your health by tracking your blood oxygen level, blood pressure, and heart rate using advanced optical sensors. Iron R can measure health parameters 24/7 and automatically save the results in an intuitive app.

Fast charging

Iron R offers fast charging and a 300mAh battery, allowing up to 14 days of operation on a single charge.

Sleep analysis

Sleep healthy with Iron R, which analyzes the quality and the duration of deep and light phases. Optimize your rest to enjoy better well-being every day.

Sport modes

With over 70 sport modes, Iron R easily adapts to your lifestyle. Track the number of
