

USB A+C 10000 mAh MagSafe Compatible PastelUp Powerbank Blue + 2 Cables 3MK

Descriptif produit

Smart, elegant charging

Multiple charging and advanced technology
The PastelUp™ external battery charges multiple devices simultaneously, in a unique smart pastel style!

Wireless charging
MagSafe and Qi compatible, it allows you to wirelessly refuel your mobile. A separate induction charging cradle is available for the Apple Watch.

Charge indicator
The LED display shows the current charge level of the external battery.

Practical
The Powerbank has a handle for easy carrying.

Complete kit
Includes: 2 USB cables for maximum flexibility.
