

Indoor Camera Camini 2 White 3MP Konyks

Descriptif produit

Watch over your home from anywhere!

Intelligent motion detection

Be alerted in real time in the event of an intrusion. The camera detects suspicious movements and sends notifications to your smartphone. Never miss a single important event, whether you're at home, at work or on the move.

Built-in siren function

Effectively deter intruders with our built-in siren. Activate it remotely or automatically if motion is detected, for extra protection at home.

Sound detection

Stay alert to any unusual activity, even outside the camera's field of vision. Our sound detection technology alerts you in real time to any suspicious noises.

Night vision

Don't let darkness compromise your security. Our camera offers black and white night vision from a distance of 5 metres.

3 MP HD resolution

Capture every detail with exceptional clarity thanks to our high-definition 3 megapixel interpolated resolution. The crisp, clear images make it easy to identify people and objects, even from a distance.

350° coverage with motorised rotation

Get a complete panoramic view of your space with our motorised camera. Control the rotation remotely so you don't miss a single angle and can monitor every corner of your property.

Two-way audio

Communicate easily with visitors or deter intruders with our two-way audio function. Listen and speak in real time via your smartphone or tablet, wherever you are.
