

3.5mm Jack Earphones Earbud Black WOW

Descriptif produit

Earphones that combine convenientity and quality sound to accompany you in your daily life!

An immersive audio experience
Whether listening to music or making calls from your mobile device, these wired headphones will quickly become your daily companions. Efficient, they broadcast clear and clear sound to offer you a high quality sound experience.

Built-in microphone for calls and voice recording
A microphone is built into the earbuds, allowing you to make hands-free phone calls at any time without needing to access your device. Also useful for recording all your vocals.

Essential, wherever you are!
Designed to be lightweight, comfortable and compact, making them practical for everyday use. They allow you to enjoy music, podcasts, phone calls and other audio content wherever you are, whether traveling, in the office or at home.

Cable length 1.2m comfortable
The length of the cable is perfectly adapted to simplify connections while giving you total freedom of movement. These headphones fit easily in your bag, allowing you to take them with you wherever you go, so you have them at hand whenever you need them.

Button format: long-lasting listening comfort
Their ergonomic design adapts perfectly to the shape of your ear, guaranteeing optimal comfort even during prolonged use. The tips fit all ear sizes and guarantee a firm and comfortable fit.

Compatible with devices equipped with 3.5mm Jack
Universal, you can use these headphones to enjoy all your content from any device equipped with a 3.5mm jack: smartphone, laptop, tablet, speaker, MP3 player, etc.

Fully Recyclable Eco-Friendly Packaging
Cardboard (certified from responsible forest management), vegetable-based glue, and soy ink.

Product Upcycling
Prepaid return of old products for recycling to promote the circular economy.
