## Descriptif produit

### High-resistance protection that enhances your mobile while guaranteeing its safety - Lifetime warranty

Withstands shocks and drops from 3 meters.

It is the combination of 2 innovative technologies and premium materials to durably protect your mobile against shocks.

Its neat transparent design lets you appreciate the original beauty of your smartphone while guaranteeing you the best grip.

#### Special anti-yellowing treatment

Made from a polymer alloy treated against yellowing, your case will retain its transparency for much longer.
