

Descriptif produit

This powerful 5000 mAh accessory keeps your devices charged while adding a touch of fashion with its unique, trendy design by BURGA.

Connected every time

When the ordinary becomes extraordinary. Discover our masterpiece: an easy-to-carry external battery with remarkable charging power. All in all, breathtakingly beautiful.

5000 mAh capacity

Up to 21 hours of autonomy, depending on the phone's battery capacity.

Fast charging

20W Power Delivery fast charge with cable or 15W Qi wireless charge for any compatible device

One charger, two devices

With the BURGA magnetic external battery, you can charge up to two devices at the same time, wherever you are. Never run out of battery again.

From 0 to 50% in just 1h30

Step up a gear with our external battery. It offers up to 21 hours of autonomy and you can recharge your device at any time, with or without a cable.

Safety first

Each external battery comes with protection against overvoltage and overheating. It's compact, so you can take it with you wherever you go and recharge your device safely at any time.

Top-of-the-range printing

Each external battery is made to order. We're committed to creating products of the highest quality, which is why we print all our designs in our own production facility in Europe. Designed to last over time, our designs are fade and scratch resistant.

Indicator lights

Keep an eye on the state of your battery with the indicator lights.

Mix & Match

Designs available for all our BURGA accessories. Mix and match designs endlessly for a unique style.
