

iPhone 16 Tough Case Pure Instinct Burga

Descriptif produit

Elegant protection

An elegant design

Turn your phone case into a fashion accessory. BURGA phone covers are ultra-thin and designed to offer optimum protection while enhancing your style.

2 overlapping shells

Tough External Shell: Made from durable materials for robust impact protection.

TPU Inner Shell: Flexible TPU absorbs impact effectively, adding an extra layer of protection.

Shock absorption

Designed to dissipate impact energy and protect your device from everyday damage.

Total accessibility

All your smartphone's ports, buttons and functions remain easily accessible without having to remove the shell.

Raised edges

Raised edges protect the screen and camera from scratches and direct impact.

High definition prints

Patterns and designs printed in high definition that resist wear and tear and won't fade.

12-month guarantee

Buy with confidence with our 12-month guarantee, ensuring the quality and durability of your shell.
