

Wireless Gaming Headsets RIG 900 MAX HX Wireless Black Nacon

Descriptif produit

High-performance, practical and ergonomic, the RIG 900 MAX offers an arsenal of options for use on both Console and PC, so you can play better and longer. Switch in a single gesture from your game to a phone call or your favorite streaming platform

The ultimate multiplatform wireless gaming headset
 Transform your gaming experience with the 900 MAX HX headset, your secret weapon for total immersion. Feel every explosion, hear every step your opponents take. Stay in control of the game thanks to Dual Wireless USB + Bluetooth technology, which lets you switch between your console and your phone or other peripherals. Play longer, without headaches, thanks to exceptional autonomy and an ultra-light structure. Focus on your performance; the 900 MAX HX headset enhances your gaming experience, ensuring you never miss a crucial moment!

Stay on the same wavelength
 Unleash the full potential of your 900 MAX HX headset with Bluetooth connectivity and the 900 MAX Navigator app on iOS and Android. Keep full control of your audio experience by customizing your settings with preset equalizer options tailored to different gaming genres, ensuring you hear every detail - whether it's the discreet footsteps of an enemy or the rumble of explosions. Create your own sound profile to suit your preferences. Adjust the microphone sensitivity to ensure clear, precise communication with your friends.

Technical specifications
 Officially licensed for Xbox, this headset also includes a universal wireless adapter compatible with PlayStation™ and PC.
 Cross-platform wireless connection optimizes compatibility by combining a low-latency 2.4 GHz wireless USB-A adapter with Bluetooth connectivity.
 Easily answer calls, receive notifications, or listen to music from your cell phone via the Bluetooth connection between gaming sessions.
 Steel headband for maximum durability and stability.
 Make the most of extended gaming sessions thanks to the perfect fit of the earphones, designed to require no adjustment, and the dual-material ear pads for greater comfort and sound isolation.
 Play all day and all night with up to 50 hours of Bluetooth battery life, and 60 hours when connected via a low-latency 2.4 GHz wireless dongle.
 Easily recharge your headset with the charging station.
 Access advanced customization with the 900 MAX Navigator application, including equalizer settings, microphone sensitivity, wireless modes and much more.
 The noise-canceling microphone ensures crystal-clear voice pickup, while raising the microphone automatically switches to mute.
