

Smart Camera Rex VT Pro 5MP 3K Panoramic and 355° tilting Indoor Black

Descriptif produit

Smart, complete surveillance to protect your home, day and night

With 5MP/3K live monitoring and panoramic 0-355° pan & 0-90° tilt feature, Rex VT ensures every corner of your home completely covered. It supports two-way video calls with a 2.4inch screen. Two buttons on the side of the screen allow you to place and hang up video calls. Human/Pet detection quickly finds events in images and immediately sends a notification to you. With built-in, Rex VT actively keeps unwelcome visitors away from what you care about. Privacy mode helps protect your personal privacy when you are home, and smart Tracking function lets the camera follow moving objects when it detects motion. With 2000mAh built-in battery, it can continue working for 30 minutes after power unplug.
