

Samsung Galaxy S25 Edge MagSafe Case Monaco Night Black DBramante1928

Descriptif produit

Thanks to its integrated magnet, this case works perfectly with all MagSafe accessories.

Bet on incomparable elegance and indisputable quality to provide your smartphone with increased protection.

Made from 75% recycled material, this eco-friendly case is better for the environment than a standard case.

This back cover contains an integrated MagSafe magnet. You can therefore combine it with MagSafe accessories, such as the wireless charger.

Since the edges of the case are higher than your iPhone screen, you will be able to place your device face down on your desk without the screen touching the surface.
