

7,5W Qi Mobile + Apple Whatch Foldable Gray Xtorm

Descriptif produit

Unfold this 2-in-1 wireless travel charger and charge your iPhone and iWatch simultaneously!

The 2-in-1 charging solution is ready to deploy.

This compact 2-in-1 charger is all you need to charge your smartphone and smartwatch simultaneously! Simply unfold the travel charger, connect the included USB-C cable to an adapter, and charging begins.

One device for compact and versatile charging, wherever you are.

The charging surface for smartphones is universal. Magnetic and wireless charging is possible for all MagSafe or Qi-compatible smartphones. The charging surface for the watch is specially designed for the Apple Watch and MFi certified. You only need one power outlet to charge a smartphone and Apple Watch at the same time.

Ideal charging station for home or on the go

Thanks to its compact and slim design, you can easily take this 2-in-1 travel charger with you wherever you go. Its design allows it to fit perfectly in your pocket or bag. When folded, the charging station takes up hardly any space, making it easy to carry and place on your bedside table, at home or in a hotel room.

Fast charging up to 15W

The universal smartphone charging dock charges an iPhone with 7.5W of power. Android phones benefit from an impressive 15W of power. Android phones benefit from an impressive 15W of power.

USB-C cable included

You can start charging immediately using the included USB-C cable. Simply unfold the charger, plug the cable into the nearest adapter, place your iPhone and Watch on the charging base and relax while your devices recharge.

Charging surfaces protected by a magnetic closure.

When the devices are charged, simply fold up the charging station. Thanks to the magnetic closure, you get a compact and convenient package. The magnet, which is both powerful and lightweight, keeps the travel charger folded and protects the charging surfaces when not in use.

Stylish and durable

The warm grey colour of the 2-in-1 travel charger enhances the soothing atmosphere, giving you time to recharge and relax while your devices are recharging. The 2-in-1 travel charger is mainly made from recycled materials and is GRS certified. It guarantees the use of recycled plastics and reduces the production of new plastics. It gives you the peace of mind you need to recharge and relax.

Equipped with the latest technology, this charger is also a sustainable choice. A compact travel charger to give #MoreEnergy to your Apple devices for years to come.

Safety first

All Xtorm products comply with the strictest quality and safety standards. Your connected devices and the 2-in-1 travel charger are protected against any incidents. Built-in mechanisms protect against short circuits, overloads and overheating, for example.
