

7,5W Qi Mobile + Apple Whatch + AirPods Foldable Gray Xtorm

Descriptif produit

With just one power outlet and this compact charging station, you can charge your iPhone, Apple Watch, and AirPods!

The all-in-one charging solution for your everyday Apple devices.

This beautiful 3-in-1 foldable travel charger is all you need to charge your iPhone, Apple Watch, and AirPods simultaneously, with just one device! Simply unfold the charger, place your devices on the designated charging surfaces, plug in the cable, and start charging and relaxing.

Compact and versatile charging with a single device

The watch charging surface is specially designed for Apple Watches. It is MFi certified and offers you the best possible wireless charging option for your Apple Watch. The charging surface for smartphones and headphones is universal. Magnetic wireless charging is possible for all MagSafe or Qi-compatible smartphones and for headphones that support wireless charging. You only need one power outlet to charge three devices at once.

The ideal docking station, wherever you are

This compact and foldable travel charger is convenient and easy to take with you. It fits perfectly in your bag or suitcase. When unfolded, you can place it on your nightstand, whether you're at home or in a hotel room. It takes up virtually no space, while simultaneously charging your iPhone, AirPods, and Apple Watch.

Fast charging up to 15W

The universal magnetic charging surface for smartphones charges an iPhone with 7.5W of power. Android phones, such as Samsung or Sony, benefit from an impressive 15W of power!

USB-C cable included for immediate charging

The included USB-C cable ensures immediate charging. Simply plug the cable into an adapter, place your devices on the charging surfaces, and enjoy simultaneous charging for your most-used Apple devices.

Magnetic closure to protect the charging surfaces.

When not in use, the travel charger folds up easily. When folded, it becomes a compact and convenient package. The magnetic closure protects the charging surfaces and keeps them safe.

A sustainable and relaxing choice

The 3-in-1 travel charger comes in a warm gray color that enhances the device's soothing ambiance. Recharge your devices and give yourself time to relax. The 3-in-1 travel charger is made primarily from GRS-certified recycled plastics. This reduces the production of new plastics. The packaging is also made from FSC-certified cardboard and a GRS-certified recycled plastic hook. So you can recharge and relax with peace of mind.

Equipped with the latest technology, this charger is also a sustainable choice. A compact travel charger to give #MoreEnergy to your Apple devices for years to come.
