

Cleaning Spray Antibacterial with Integrated wipe 15ml Pink + Lifetime Warranty Force Glass

Descriptif produit

Don't let germs and dirt invade your appliances - keep them clean with Magic spray!

Pocket size
With its compact 15-mL format, our cleaning spray can follow you wherever you go. Slip it into your handbag, backpack or even your pocket so you always have it to hand when you need it.

Effective formula
The average user touches their smartphone 700 times a day. That leaves a lot of traces, germs and microbes. Our special formula works quickly to remove stubborn fingerprints and bacteria, leaving your electronic devices clean after every use.

Wide compatibility
Suitable for a range of electronic devices including smartphones, tablets, laptops, keyboards, mice and more. You can use it with confidence on most electronic surfaces without damaging components.

High-quality microfibre wipe
An ultra-absorbent wipe with an anti-fray finish is included with the spray. It cleans and polishes, and is washable and reusable.

Easy to use
Simply spray lightly on the surface to be cleaned, then wipe with the small microfibre cloth for fast, effective cleaning.

All in 1
A flap on the back gives you dedicated storage space with a customised holding system for the microfibre wipe. It also lets you change your refills.

Integrated attachment system
The spray has a notch on the underside for attaching a wrist strap, neck strap or key ring.

Eco-designed, fully recyclable packaging
The transparent pouch made from recycled plastic is tactile and reusable. The cardboard is certified as coming from responsible forest management, with vegetable-based glue and soya ink.

Lifetime guarantee
Receive a new spray if damaged

Refurbishment of products
Prepaid return of old products for recycling to promote the circular economy

How does the Recyclerie work?

You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?

Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?

Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!

The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
