

2-Pack Bluetooth® Microphones Black JBL

Descriptif produit

Unleash your voice

Clear voice, crisp sound

The cardioid pickup pattern of these mics deliver a warm, clear, and crisp vocal sound that's designed to make everyone sound their best over any JBL PartyBox.

Minimize all unwanted noise

A shock mount system minimizes the sound of the mics passing from one hand to another, while a built-in pop filter eliminates any extraneous breathing sounds that you don't want to be part of your performance.

Easy to use

Just plug in and start singing. It's really that simple.

Compatible with all PartyBox speakers

From the PartyBox Encore to the Ultimate, you can use the mics with any JBL PartyBox speakers.

Sing out all night long

Keep the party going all night with up to 20 hours* of play time.

Rechargeable battery

Just plug the mic into the JBL PartyBox's charging port when your battery is running low. You can keep using it while it charges. 10 minutes of charging will get you another two hours of playtime.

Stable 2.4GHz connection

When using the digital wireless dongle, you have a stable 2.4GHz connection within 30 meters of the PartyBox. So don't be afraid to go out and work the crowd.

Packaged in FSC-certified paper printed with soy ink

The JBL PartyBox Wireless Mic is packaged in FSC-certified paper printed with soy ink.
