

3.5mm Jack Speaker JR320BT for kids with Microphone Over-ear Blue JBL

Descriptif produit

Great sound - safe volume.

JBL Safe Sound <85dB

JBL Junior 320 headphones are designed to never exceed 85dB, making them safe for children's ears.

Built-in mic

JBL Junior 320 headphones feature a built-in microphone to help your kids stay connected with the world. They can talk with teachers while they're learning, or chat with friends and family during their downtime. Fit for kids JBL Junior 320 headphones come in two fun colorways and have durable, child-friendly controls that are easy and safe for kids to operate. The headband features a 12mm thick soft pad for long-wearing comfort. And their round earcup design offers improved grip and less sound leakage, so kids don't need to turn them up louder to compete with outside noise.

Make it yours with JBL stickers

The plastic-free packaging includes a playful JBL sticker set so kids can personalize their headphones.

Ultra-portable

JBL Junior 320 headphones' compact design folds flat, making them easy for kids to stow in a bag or backpack.
