

Samsung G Watch Series Strap Hybrid Premium Camel

Samsung

Descriptif produit

Choose this high-end bracelet to assert your style.

Elegant in every circumstance

Start your day with an important business meeting and end it on the tennis court, without even changing your watch strap. The refined premium hybrid strap adapts to any style, while allowing you to exercise thanks to its breathable fluoroelastomer interior. It contains materials derived from corn and other similar sources, making it more environmentally friendly.

Switch your strap like a shirt

Switch your watch strap in a snap, thanks to the new one-click design. It features a simple button that allows you to effortlessly attach and detach the strap with a single click. Choose the strap that best suits your style and desires from our wide range of accessories, compatible with the Galaxy Watch6, Galaxy Watch6 Classic, and previous series equipped with a 20mm strap.
