

USB A + 2 USB C Charger Foldable 65W Power Delivery GaN White + Lifetime Warranty Force Power Lite

Descriptif produit

A high-performance charger with a foldable plug with a Lifetime Warranty and designed for mobility

Up to 65W of combined power
This high-performance wall charger provides up to 65W of total power to quickly charge laptops, tablets, smartphones, and other compatible devices.

Charge up to 3 devices simultaneously
Thanks to its three ports (2 USB-C + 1 USB-A), charge multiple devices simultaneously, without compromising on performance. Ideal for shared use or for your various devices. No more need to carry multiple chargers at home and at the office: choose the same efficient charger for all types of smartphones and tablets!

Foldable plug: compact design designed for mobile life
The real innovation is its foldable power plug, which folds into the unit to avoid breakage or clutter. Easily slip it into a pocket, bag, or suitcase without damaging your belongings. Whether you're traveling, at the office, or at home, this charger goes everywhere with you, without any hassle.

Power Delivery and Smart Technology
Compatible with Power Delivery and Quick Charge, this charger automatically adjusts the power output based on the connected device, ensuring optimal and secure charging speeds.
Charge your device up to 70% faster than with a conventional 5W charger*.

Ultra-fast for all your devices
iPhone, iPad, MacBook, Samsung, Xiaomi, Oppo, Google Pixel... this universal charger is compatible with most smartphones, tablets, and laptops on the market.
Example: Charge up to 50% of the battery of your iPhone 15, MacBook Air M2, Galaxy S24 or Google Pixel 8 / 8 Pro, OnePlus 12, Xiaomi 14 in just 30 minutes.*

Ultra-compact GaN technology
Miniaturized components for extreme compactness. The charger is much less bulky than a traditional charger, making it easy to carry for everyday use or on the go.

Smart and secure
The charger automatically detects the required fast charging current: practical if you're in a hurry to boost your battery quickly! This innovative technology prevents overheating and extends the battery life. When the battery is full, the power cuts off to prevent uninterrupted battery operation.

Power Delivery Compatibility
To benefit from the optimal charging speed of a Power Delivery charger, you need a Power Delivery-compatible device or Android device, a USB Type-C to USB Type-C or Lightning to USB Type-C charging cable, and a USB-PD compatible charger.

Sleek Finish
Its metallic touch adds a touch of elegance to the design.

Universel - Port(s) USB A+2C PD

Lifetime Warranty
Power Force will replace your charging accessory with a new one if it becomes damaged!*

Eco-designed with 100% recycled plastic
This product is made from recycled plastic to reduce the use of single-use plastics and promote the circular economy.

*Recharge time depends on the charging capacity of the devices but also on the temperature, battery wear, the power delivered by the charger and the charge level of the device.

Informations complémentaires

How the lifetime warranty works
Thanks to the lifetime warranty, FORCE will replace your product with a simple exchange for a new one if it is defective or damaged.
To benefit from the lifetime warranty, simply create an account in a few clicks and register your product on the website <https://force-mobility.fr/fr/utiliser-garantie>, within 30 days of your purchase, with your proof.
The FORCE service will send you a new product in exchange for your old defective product. Once a year and without time limit so that your mobile always remains perfectly equipped!

If you have purchased FORCE PLAY wireless headphones:
Thanks to the lifetime warranty, FORCE will replace your right or left earphone with a new earphone in the event of loss.
To benefit from the lifetime warranty, simply create an account and register your product on the website <https://force-mobility.fr/fr/utiliser-garantie>, within 30 days of your purchase, with your proof.
The FORCE service will send you a new replacement earphone for the lost earphone. Once a year and without time limit so that you can always enjoy your music!

FORCE: The smartphone accessories brand Lifetime warranty

- Sustainable accessories designed to last a long time
- Technological innovation at the service of performance and use
- A lifetime warranty to satisfy the most demanding customers
- A responsible commitment from the design of the product to its packaging: Recycled plastic, certified cardboard from responsible forest management, vegetable glue) and soy ink.
- A recycling center with pre-paid return of old products to be recycled to promote the circular economy

FORCE is a French brand whose products are designed and developed in Paris. French specialist in smartphone solutions for 25 years, our products are tested and certified according to the CE standards and directives in force on the market.
From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
