

Instant camera Thermal printer White Bigben

Descriptif produit

Because the best memories deserve more than a screen: print them in seconds

Instant Printing

Capture your favorite moments and print them instantly with innovative thermal printing technology. You can choose between two intensity levels to tailor the quality and appearance of your images to your liking. Each roll allows you to print up to 50 photos without using ink, emitting odors, or needing cartridges. Thermal printing offers a clean, fast, and cost-effective solution.

Versatile Photo Mode

Its clever foldable lens lets you switch effortlessly between classic shots and perfect selfies. It includes a flash for capturing great images even in low light conditions, as well as a 16x digital zoom to capture distant details without compromising quality. In any situation, you can achieve clear and successful photos.

MicroSD Card Storage

Your photos and videos can be saved directly onto a microSD card (up to 32 GB - not included), making them easy to back up, transfer to a computer or smartphone, and share with loved ones. No more worrying about available space or losing your memories.

High Resolution

The camera can capture images with a resolution of up to 26 megapixels, ensuring your photos are sharp, detailed, and true to life. Every moment is preserved with remarkable quality, whether for printing or online sharing.

Creative Customization

Have fun personalizing your prints with a selection of 6 artistic filters, 20 decorative frames, and 4 mirror effects. These options allow you to create unique, playful, and stylish memories, perfect for albums, gifts, or displays

Informations complémentaires

Bigben Connected: The brand for your smartphone essentials

- The consensual style that will accompany you day-to-day
- A wide choice of accessories to charge, protect, personalize, facilitate the use of your mobile
- An excellent value for money with quality products while remaining affordable
- Eco-designed packaging with zero plastic and fully recyclable. Cardboard (certified from responsible forest management), glue (vegetable) and ink (soya)
- A recycling center with the prepaid return of old products to be recycled to promote the circular economy

Bigben Connected is a French brand whose products are designed and developed in Paris.

French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?

You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?

Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?

Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?

Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
