The perfect combination of alarm clock and night light, the Billy alarm clock is the ideal companion for decorating and illuminating a child's bedroom.

Billy Clock Rose: Children's Favorite Alarm Clock!

The Alarm Clock that Mixes Style and Practicality

The Billy Clock is more than just an alarm clock: it's a stylish bedroom companion packed with fun features! With its modern design made of soft fabric and soft-touch silicone, it adds a touch of softness to your child's room. Easily set the time, date, and up to three alarms for perfect organization. And with the built-in soft silicone bunny nightlight, your child will feel safe and secure all night long.

Softness and Elegance Guaranteed

The Billy Clock creates a warm and stylish ambiance in your child's room. Easily set the time and alarms, and adjust the brightness of the built-in night light with a touch button. With the Billy Clock, every waking up is a gentle and soothing experience.

The Perfect Alliance Between Alarm Clock and Night Light

The Billy Clock alarm clock offers two modes of use: standard mode, where the time is displayed permanently, and TR (Touch Responsive) mode, where the time is displayed only when you touch a button, thus offering extended battery life. Take advantage of the integrated night light to create a relaxing atmosphere in your child's room. You can adjust the brightness for up to 7 hours of operation at 30%-40% intensity, or leave the alarm clock on continuously for 14 hours of battery life (without using the night light).

Soothing Ringtones

We've added 5 new relaxing ringtones to our Billy Clock: birdsong, the sound of sea waves, the gentle trickling of water, a snooze function, and a lullaby, for an even gentler and more pleasant awakening.

Mobility and Easy Charging

The Billy Clock is portable and can be carried anywhere in your home. It charges easily with the included Type-C cable, allowing you to enjoy its features wherever you are.
