Descriptif produit

ICE smart 2.0: the power of a large AMOLED screen and advanced features for a high-performance connected experience

A bold style, cutting-edge technology

Discover the ICE smart 2.0 Rectangular 1.96", a smartwatch that combines trendy design with Ice-Watch innovation. An accessory that adorns your wrist with elegance, while offering you a complete connected experience.

Large AMOLED screen

Enjoy a high-resolution 1.96" AMOLED screen (410x502 px), ideal for perfect readability every day. Its modern rectangular shape gives your watch a decidedly contemporary look.

Two straps for two styles

The added bonus? This watch comes with two interchangeable straps: a silicone strap for comfortable everyday use and a Milanese mesh strap for a more chic and dressy look.

Customisable and colourful watch faces

Express your style with a wide selection of dynamic and varied watch faces. Change the look in the blink of an eye to match your watch to your mood or outfit.

Everyday connected features

Stay connected with Bluetooth calls, notifications, music control, camera, games, weather and more. A watch designed to accompany you in all your activities.

Comprehensive health tracking

Take care of yourself with sleep tracking, heart rate, blood oxygen, blood pressure, and hydration and movement reminders.

Sporty and versatile

With its many built-in sports modes (running, yoga, tennis, boxing, skiing, etc.), the ICE smart 2.0 becomes your everyday training partner.
