Descriptif produit

Move freely. Track your stats. Listen to your music. Without your phone, thanks to the ICE FIT smartwatch.

Your performance ally on your wrist

Discover ICE fit, the smartwatch designed for ambitious athletes and performance enthusiasts. With its elegant design and powerful features, it accompanies you everywhere, from everyday life to the most demanding workouts.

Advanced sports tracking

Whether you're running, cycling, doing yoga, or even skiing, ICE fit analyzes your efforts in real time. With its built-in GPS and Strava compatibility, you can track your routes accurately and share your performance in the blink of an eye.

A built-in health coach

Monitor your fitness with comprehensive health features: sleep tracking, heart rate, blood oxygen levels, calorie expenditure, and much more. Stay tuned in to your body, day after day.

Music and calls on your wrist

With 4GB of internal storage, listen to your favorite songs without your phone. You can also make Bluetooth calls, receive notifications, and control your music or camera from your wrist.

AMOLED display and solid battery life

Enjoy a bright display on a 1.78" AMOLED screen (368x448px) with Always-on mode. The battery lasts up to 7 days, giving you total freedom in your activities.

Robust and comfortable design

With its aluminum case and soft-touch silicone strap, the ICE fit combines durability and comfort. IP68 waterproof, it follows you everywhere, even in the rain or at the pool.

Extensive connectivity and compatibility

Compatible with iOS 9+ and Android 6+, the ICE fit speaks your language (FR, EN, ES, DE, IT, etc.). It connects via the dedicated ICE fit app for easy management of your data and settings.
