

ICE FIND Small 3H Round with Strap Silicone Blue Ice Watch

Descriptif produit

Your watch can be located at any time

Smartwatch without a subscription

Enjoy a smartwatch that is compatible with Apple devices, without a SIM card or paid subscription.

It uses Apple's secure network to operate with ease.

Apple compatibility

Designed specifically for Apple users, this watch integrates seamlessly into your ecosystem.

It is ready to use with your iPhone or other compatible Apple device.

Water resistance and design

With a water resistance rating of 3 ATM, this watch is splash and rain resistant.

Its compact 34 mm case makes it an elegant and discreet accessory, suitable for all styles.

Locate your watch anywhere

With the Find My app and Apple's Find My network, you can find your watch even if it's not nearby.

Nearby Apple devices securely, anonymously, and encrypted transmit its location via iCloud.

Ring it to find it

If you lose it nearby, open the Find My app, select the Items tab, and tap Play Sound.

The watch will beep so you can easily find it.
