

# Alarm clock with night light Digital Display Pink Cat Bigben Audio

## Descriptif produit

### A cocoon-like design for a gentle awakening and peaceful nights

**Soothing companion**  
An adorable little silicone animal lights up to reassure your child and help them drift off to sleep peacefully.

**Melodies and white noise**  
Choose from 3 lullabies or 3 soothing sounds (rain, heartbeat, fan) to gently wake, calm or put your child to sleep.

**Customisable night light**  
Soft light with adjustable intensity: simply tap the animal to adjust the lighting as needed.

**Convenient timer**  
Program the lighting or sound duration (15, 30 or 60 minutes) to create a suitable bedtime ritual.

**Intuitive alarm function**  
Clear display of the time in 12-hour or 24-hour format, perfect for introducing little ones to waking up.

**Long battery life and easy charging**  
Up to 10 hours of battery life, with a 1.5m USB-C/USB-A cable included for quick and easy charging.
