

Alarm clock with night light Digital Display Blue penguin Bigben Audio

Descriptif produit

A cocoon-like design for a gentle awakening and peaceful nights

Soothing companion
An adorable little silicone animal lights up to reassure your child and help them drift off to sleep peacefully.

Melodies and white noise
Choose from 3 lullabies or 3 soothing sounds (rain, heartbeat, fan) to gently wake, calm or put your child to sleep.

Customisable night light
Soft light with adjustable intensity: simply tap the animal to adjust the lighting as needed.

Convenient timer
Program the lighting or sound duration (15, 30 or 60 minutes) to create a suitable bedtime ritual.

Intuitive alarm function
Clear display of the time in 12-hour or 24-hour format, perfect for introducing little ones to waking up.

Long battery life and easy charging
Up to 10 hours of battery life, with a 1.5m USB-C/USB-A cable included for quick and easy charging.
