Descriptif produit

Discover the future of fast charging with the USB-C to USB-C 240W cable.

Charge your iPhone 16 at maximum speed
Discover the future of charging! Thanks to our ultra-fast 240W USB-C to USB-C cable, your iPhone 16 reaches 71% battery in just 30 minutes. Don't miss out on this charging revolution!

The fastest recharging ever
At 240W, the INIU cable sets a new speed record and is quite simply the fastest in the world. Recharge all your devices at full speed
speed: get 88% for a MacBook Pro, 91% for an iPad Pro, 84% for a Samsung S23, and 65% for a Steam Deck in just 30 minutes.
No more waiting for a charge.

Compatible with all USB-C devices
Works perfectly with all devices equipped with a USB-C port, from the largest to the smallest (240/200/170/140/100/60/18W): laptops phones, tablets, Steam Deck and Switch. Whatever the device, it will be recharged more efficiently.

Secure charging with EMARK2.0
INIU's exclusive EMARK2.0 technology offers optimum protection against overcharging, and monitors temperature more than 3.2 million times a day. This protects your devices from fire and battery damage.
