

Watch ICE SMART Junior RD 3.0 Find My Blue Ice Watch

Descriptif produit

A smartwatch for little adventurers, easy to locate with Find My

A stylish round design

With its new round dial and bright AMOLED screen, the ICE Smart Junior RD 3.0 combines modernity and fun. Perfect for children aged 6 to 12, it features the colourful and dynamic design codes of the Ice-Watch brand.

Move, play, have fun

With a step counter, sports mode and built-in mini-games, it has everything to motivate children to move and have fun every day.

Always connected

When connected to a phone, the watch receives text messages and notifications directly on the screen — ideal for imitating grown-ups!

Endlessly customisable watch faces

Children can change the background as they wish to match their watch to their mood or outfit of the day.

Safety and peace of mind for parents

Built-in parental controls make it easy to set usage limits for a safe and balanced connected experience.

Find My feature: never lose sight of the watch

With the Find My feature, you can easily locate the watch from your smartphone. Handy for finding the watch in an instant when it's misplaced at home or in a school bag!

A watch to grow up with in style

Combining technology, colour and creativity, the ICE Smart Junior RD 3.0 accompanies children on all their adventures — at home, at school or outdoors.
